Memorandum No. 6526-5

MEMORANDUM FOR: [REDACTED] 25X1A9a  
SUBJECT: Transmittal of Material

1. Please pass the attached to [REDACTED] with our apologies 25X1C  
for the delay. This is the initial installment of something Ron and  
I worked out while I was there in May. Subsequent information will  
follow by cable as described in my memo to Ron. Between us, we have  
devised a complex system so that you will not be confused by the facts  
bearing on this subject.

2. We have just disseminated the Arms Control paper that I told  
you about. You will get a copy. Because of its special nature it has  
not been made available to the [REDACTED]

3. Regards to all.
